A B O U T M E

As a student, I bring a fresh perspective and a thirst for knowledge to any academic or professional setting. I have successfully completed secondary school education, demonstrating a strong work ethic and dedication to my studies. Now I'm pursuing a visual communication design diploma at the University of Trinidad and Tobago, I have always been passionate about art and design, and I am grateful to have found this diploma that allows me to turn that passion into a profession.

S K I L L S

- Proficiency in design software such as Adobe Photoshop, Illustrator, and InDesign
- Experience with both print and digital design, including creating graphics for social media, web design, and branding.
- Knowledge of HTML, CSS, and web design best practices
- Ability to create visually compelling and effective marketing materials, including logos, brochures, and advertisements.
- Attention to detail and ability to work under tight deadlines.
- Strong organizational skills, including file management and project tracking.
- Creative problem-solving skills and ability to think outside the box.

E X P E R I E N C E
